

**Postgraduate Certificate in New Technologies in Education**

CERTNTE

**Duration:** Normally 1 year Part time**Total credit rating:** 60 credits**For study from AY 2016/17 entry**

Students are required to take the following modules:

|          |                                     |         |            |
|----------|-------------------------------------|---------|------------|
| SED7123  | Reflecting on Professional Practice | Sem 1/2 | 30 credits |
| SED7263* | New Technologies in Education       | Sem 1/2 | 30 credits |

**Note:**

- SED7263 is available for Continuing Professional Development (CPD), and / or Recognition of Prior Learning
- Both modules must be passed for the target award; there is no condonement of marginal failure;
- Students submitting an application for RP(E)L towards an award of PGCert MUST study SED7123 Reflecting on Professional Practice, AND can claim an additional 30 credits of RP(E)L;
- Because of the bespoke nature of this type of CPD provision, the exact timing of module delivery is negotiated with the relevant school/organisation.
